**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been a user of sonic.net for phone and internet service for more than 10 years. They compete with their competition on price, quality, and service. I'm currently using their ADSL service and eagerly watching their installation of fiber closer and closer to my home.

I resent being denied access to their services by the larger providers, one of which I left years ago.
